

# 2023 Fabric Discount Rates

Please enquire for bulk combination orders (large orders of multiple types of fabric), and all bulk/wholesale orders before placing orders on the website.

## ON DISCOUNTS AND COMBINING ORDERS

All of my custom pricing and discounts are based on my own supplier discounts which I then pass on to the customer. There are many different options for combining fabric orders.

Please contact me at [info@indigenouveau.com](mailto:info@indigenouveau.com) to ask about price discounts, rather than quantity discounts on orders of \$3500-\$4999, \$5000-\$7499, \$7500-\$9990, \$10,000+
